

Getting an Agent on Your Server

Anudha Mittal Non-Proprietary

Anudha Mittal Non-Proprietary

Front End

Options: Access via Naclai or Host on Your Server

- Link to Front End Code: https://naclai.xyz/get_a_server_on_your_agent_front_end.html
- Steps:
 1. Open via chrome
 2. Right click to inspect
 3. Copy Paste on To Your Site

Application Server

Uses python `http.server()` class

- The application server is a bit long! Access the code via this link:

https://naclai.xyz/get_code_for_agent.html

Launch the Agent!

Good Luck!
